Paris, Washignton DC, 06.07.2017, 00:34 Time

USPA NEWS - Here is the remainder of the integrity of the general policy discourse of the French Prime Minister Edouard Philippe on 4 July before the 577 MP's and ministers at the General Assembly. The second is a little more recent, I quote again: "Our priorities are not those of half of France against the other half but those of all the French. Undoing what others have done, doing what others will defeat, that is the kind of policy that voters no longer want. We will not ask anyone to join us by interest or betray his convictions. "These are the words of Michel ROCARD on June 29, 1988, almost thirty years ago.

OUR COMPATRIOTS HAVE EXPRESSED BY THE VOTE A HOPE CARRIED OUT BY EMMANUEL MACRON

THE FRENCH PEOPLE HAS GIVEN TO THE GOVERNMENT& MEET THE MEANS TO FOLLOW THE COURSE

For the sake of obvious coherence, the French have given the President and the Government the means to follow this course by designating a clear and incontestable majority. This clear majority, no one takes it for a blank. It involves at least as many duties as rights. That the government can base its action on a strong majority is a good thing, that it always has in mind that the general interest is never reduced to any fraction of the French people, even if majority, is a good Even better.

FRANCE MUST REASSERT CONFIDENCE AND FIRST WITH THE FRENCH PEOPLE------
