MAAF HANDED AN IRAN STUDY ON THE IMPACT OF THE OPENING OF THIS MARKET

FOR AGRICULTURAL AND AGRIFOOD SECTORS

Paris, Washington DC, 06.11.2015, 02:00 Time

USPA NEWS - The French Ministry of Agriculture, held on November 2, a symposium on the Iranian market, which opens more and more for agricultural and food sectors. The symposium brought together a hundred people to present the results of a study commissioned by the Department for Business France on the subject.

The Ministry of Agriculture, Agri-Food and Forestry held this Monday, November 2, a symposium on the Iranian market, which opens more and more for agricultural and food sectors. The symposium brought together a hundred people was notably the occasion to present the results of a study commissioned by the Department for Business France on the subject.------

During his visit to Tehran last September, Stephane Le Foll has reaffirmed the willingness of France to engage in a long-term cooperation with Iran on agricultural and food issues, especially the Iranian market, its 80 million inhabitants, is especially promising. Official Statement French Ministry of Agriculture
