Placido Domingo is coming with a new holiday album ' My Christmas' (Sony Classical). the album is available now and is filled with seasonal favorites, plus duets with a variety of special guests including Idina Menzel, Jackie Evancho, Placido Domingo Jr., The Piano Guys and others.

Placido Domingo, now in his fifth decade of performing on the world's great stages, has had the most varied career in operatic history. The Spanish singer, now 74, has sung 147 different operatic roles, more than any other performer, and he is also celebrated for his hugely successful pop and Latin albums.

'My Christmas' features Domingo performing his favorites numbers like 'Guardian Angels,' the haunting song composed by Harpo Marx and made famous by Mario Lanza with Idina Menzel, fresh from her triumph as the voice of Queen Elsa in Disney's Frozen; 'Pie Jesu' the pure, ethereal melody from Andrew Lloyd Webber with Jackie Evancho, the 15 year-old American singing phenomenon, who is also the youngest top-10 debut artist in U.S. history; 'White Christmas,' the evergreen Irving Berlin classic with his son Placido Domingo Jr.; and 'Silent Night' with The Piano Guys, whose witty mash-ups of classical favorites and pop standards have been seen over half a billion times on YouTube.

Other artists featured on My Christmas singing holiday classics with Domingo include the German superstar Helene Fischer ('What Child Is This'), whose albums have sold more than 9 million copies to date; the French heart-throb tenor Vincent Niclo ('Have Yourself a Merry Little Christmas'); and the New Zealand singer Hayley Westenra performing 'Loving Christmas,' a new song written by Placido Domingo Jr.
