IT IS AN ATTACK NOT JUST ON GTHE PEOPLE OF FRANCE BUT ON ALL HUMANITY SAID OBAMA

AFTER THE TERRORIST ATTACK NOV 13

Paris, Washington DC, 14.11.2015, 05:10 Time

USPA NEWS - "Once again, we've seen an outrageous attempt to terrorize innocent civilians. This is an attack not just on Paris, it's an attack not just on the people of France, but this is an attack on all of humanity and the universal values that we share." [?]

DURING THIS TRAGEDY BONDS OF LIBERTE EGALITE FRATERNITE ARE VALUES THAT WE SHARE-----

"We stand prepared and ready to provide whatever assistance that the government and the people of France need to respond. France is our oldest ally. The French people have stood shoulder to shoulder with the United States time and again. And we want to be very clear that we stand together with them in the fight against terrorism and extremism.-----

Paris itself represents the timeless values of human progress. Those who think that they can terrorize the people of France or the values that they stand for are wrong. The American people draw strength from the French people's commitment to life, liberty, the pursuit of happiness. We are reminded in this time of tragedy that the bonds of liberté and égalité and fraternité are not only values that the French people care so deeply about, but they are values that we share. And those values are going to endure far beyond any act of terrorism or the hateful vision of those who perpetrated the crimes this evening.-----

We're going to do whatever it takes to work with the French people and with nations around the world to bring these terrorists to justice, and to go after any terrorist networks that go after our people.-----

We don't yet know all the details of what has happened. We have been in contact with French officials to communicate our deepest condolences to the families of those who have been killed, to offer our prayers and thoughts to those who have been wounded. We have offered our full support to them. The situation is still unfolding. I've chosen not to call President Hollande at this time, because my expectation is that he's very busy at the moment. I actually, by coincidence, was talking to him earlier today in preparation for the G20 meeting. But I am confident that I'll be in direct communications with him in the next few days, and we'll be coordinating in any ways that they think are helpful in the investigation of what's happened." President Obama said.-----
